

1# הכנה of פ' וישב in "ZOOM" format

תש"פ – Pesah Post

Welcome back, beloved students of פ' וישב class!! ☺

I am so excited to be learning with you all again!

With a תפילה to Hashem, we are experimenting with "re-claiming" the REAL format of the פ' וישב class, with הכנה and then class which is built upon that הכנה. I am really hopeful that this will work, ה' בעזרת! ☺

We are (FINALLY!!) beginning פרק ל"ט – YAY!!

In this first הכנה, I would like you and your חברותא to become familiar with the פרק as a whole (using מפרשים), and fill in this "Suggested Structure" for the פרק, below.

PLEASE NOTICE: 1) There is **ONE** section which consists of only **one** פסוק.

2) There are 2 sections which both start "The "story"/the LIE..." (but, of course, the titles continue differently!)

<u>הצעת מבנה של פרק ל"ט</u>	
_____ יוסף	I פס' ___ - ___
_____	II פס' ___ - ___
_____	A. פס' ___ - ___
_____	B. פס' ___
_____	C. פס' ___ - ___
_____ הסיפור\השקר	D. פס' ___ - ___
_____ הסיפור\השקר	E. פס' ___ - ___
_____	F. פס' ___ - ___
_____ יוסף	III. פס' ___ - ___

Once you finish, please confirm with me your **first** and **third** sections, so that you may go on to final part of 1# הכנה:

Background: In the first and third sections, there are 6 pairs of phrases (**one** phrase from **each** section in each pair) which contain parallel content. Some jump out at us, while others require more thought.

The task: Please write up as many of the 6 pairs as possible!

הנהנהנה, and ENJOY!!
